Building Inspector

Application for Plumbing Permit

Instructions:

1. This application must be accompanied by two sets of plans or specifications showing proposed installations. All drawings must show type of materials to be used, pipe sizes, vents, traps, etc. and their respective sizes.
2. Work covered by this application may not be commenced until issuance of Plumbing Permit.
3. Permit will be issued to City of Beacon Licensed Plumbers only.
4. All work will be done in accordance with the plans and no person shall make any change in said plans without written consent of the Plumbing Inspector.
5. Upon approval of this application permit will be issued together with approved duplicate set of plans. Such Permit and plans shall be kept on the premises available for inspection, throughout the work.
