

RED FLYNN DRIVE Six (6) Hour Parking Permit

A permit to park on Red Flynn Drive in the 6-hour parking spaces can be issued to a city resident for **ONE WEEKDAY ONLY**. The purpose of the on-street parking permit system is to exempt the holders of permits from the time-limit parking ordinances in effect in the designated districts, except for alternate side parking or parking limits which are imposed for the purposes of street cleaning, garbage and snow removal. The permit is good for one day only and between the hours of **6:00 a.m. and 6:00 p.m.** on that day. There is no fee.
