

TOD Comments
George Mansfield
TOD additional points:

- mandatory link to Main St. via shuttle which could be expanded in the future to accommodate planned development on the East side.
- Insist that MTA encourage, through incentives and additional fees for parking in the Beacon lots, the use of ferry and park & ride at Dutchess stadium.
- City of Beacon in conjunction with MTA and other property owners must chart and plan a pedestrian, bike – friendly path from the riverfront to Main St.
- TOD should do everything possible to reduce the dependence on automobile usage to access Metro North, riverfront and Main St. (from West to East)
