The City of Beacon Police Department is currently accepting applications for the position of full time Police Officer.

The City of Beacon Police Department is a full-time, New York State accredited police department located approximately 55 miles from New York City, along the Hudson River. The department serves a diverse, up and coming community of approximately 14,000 residents and is staffed by 37 full-time police officers. The department is a full-service agency with both Patrol and Detective Divisions.

Applicants must currently serve as full-time police officers in a police department in the State of New York. Hiring will be under the conditions of resignation reinstatement. Applicants must have been hired off of an open competitive civil service examination, successfully completed their probationary period and have a valid certificate showing full and successful completion of the MPTC Basic Course for Police Officers. They also must reside within 30 miles (as measured in a straight line) from the City of Beacon upon employment. Applicants meeting the above requirements will start at \$62,154 per year.

Unfortunately, due to civil service rules, police officers hired off of City of New York civil service lists cannot be considered unless they are currently reachable on the Dutchess County civil service list for Police Officer/Deputy Sheriff. Additionally, current part-time police officers cannot be considered unless they meet the above qualifications or are currently reachable on the Dutchess County civil service list for Police Officer/Deputy Sheriff.

Interested applicants should forward a cover letter and resume to:

Lt. Thomas Figlia
